

When Your Child is Referred to a Pediatric Specialist at Mary Bridge Children's

HELPFUL STEPS TO FOLLOW FOR YOUR CHILD'S OUTPATIENT SPECIALTY CLINIC APPOINTMENT

Welcome to MultiCare Mary Bridge Children's Health Center. Your child's primary care provider has referred your child to one or more of our pediatric specialty clinics. Please follow these steps to schedule and prepare for your clinic visit. You can find more information on what to expect when you come to Mary Bridge at www.marybridge.org.

1. Call Your Insurance Company

- If your insurance requires pre-authorization, please arrange this with your primary care provider before you make your appointment.

2. Call to Make an Appointment

- To make an appointment, please contact the appropriate scheduling number provided in this list.
- Please have your insurance information ready when you call to make appointment.
- Your child's primary care provider can fax a referral directly to our specialty clinic.

3. Bring Your Legal Paperwork

- If you are not the biological parent of this child, please bring legal papers that indicate guardianship or permission to authorize medical procedures. Contact our Personal Health Partner Department at 253.403.1126, then press zero, if you need help.
